

Request to install stormwater service connection

City of HOBART

When to use this form

Use this form to request a new or upgraded connection to the City of Hobart's public stormwater system to be provided by the City of Hobart at the property owner's cost. A City of Hobart Officer will contact you to provide a quotation and timeframe for the requested connection. Payment must be made in full before the works will be scheduled.

If you would like to engage a contractor to complete the works, please fill in the [Application to construct public infrastructure form](#).

Applicant details

First name Required

Last name Required

Email address Required

Telephone number Required

Address Required

Are you the (Select 1 option) Required

- owner

Works details

Where are the proposed works taking place? Required

Development application number Required

Approved drawing number (if you have planning or plumbing approval)

Plumber's name

Plumber's telephone number

Type of connection

Please select the type of connection you are requesting. Note that standard connection fees will be charged in accordance with the City's current fees and charges schedule. Non-standard connections will be quoted. Payment of fees must be made prior to the connection being scheduled. (Select 1 or more options) **Required**

- Standard – connection to main within property
- Standard – connection to kerb and gutter
- Other (non-standard) connection (e.g. connection to main through adjoining land, new public stormwater infrastructure)

What service size do you need? (millimetres) **Required**

Please provide an approved plumbing drawing that details the location of the connection. Drawings must be approved by the City's Stormwater Asset Officer. **Required**

Please attach all files to the end of this form before submitting it.
